# JANITH SURaweera

## UNDERGRADUATE

I'm a motivated Software Engineering student with a solid foundation in Java, Python, and web development frameworks. I'm eager to apply my skills in a real-world environment through an internship, where I can contribute to meaningful projects, gain hands-on experience, and grow as a problem-solver.

## WORK EXPERIENCE

-  **Pulathisi Industries & Press** (2024 to Present)  
Technical Contributor
- Provided technical support and troubleshooted software and hardware issues.
  - Managed and optimized local network connectivity.
-  **South Creations Advertising** (2024)  
Technical Contributor
- Developed and improved sections of the company's website, focusing on user interaction.
  - Developed a basic system for tracking customer orders & managing inventory.
  - Provided technical support and troubleshooted software and hardware issues.
  - Managed and optimized local network connectivity.
  - Implemented basic data backup solutions to ensure data security.
-  **Mr. Veg** (2023)  
Restaurant Technology Support
- Assisted in maintaining the restaurant's Website.
  - Implemented updates to the online menu
  - Created a system for managing incoming online orders efficiently.
  - Resolved technical issues with restaurant computers, printers & network connectivity

## EDUCATION

-  **Sri Lanka Institue of Information Technology**  
BSc (Hons) Degree in Information Technology  
(2022 to Present)
-  **St. Aloysius' College, Galle**
